Cement Corporation of India Limited

Bokajan Cement Factory
Karbi Anglong, Assam

Expression of Interest (EOI)

Subject: Rectification and Commissioning of Pulse Jet Baghouse (PJBH) Project – Bokajan Cement Factory, Karbi Anglong , Assam.

Cement Corporation of India Ltd. (CCI), Bokajan Unit, invites **experienced and qualified parties** to express interest in undertaking the **rectification and commissioning** of a Pulse Jet Baghouse (PJBH) project.

The project was originally executed as a **turnkey contract**, including design, supply, and installation. The system was designed for a rated capacity of **160,000 m³/hr**. However, despite installation and multiple commissioning trials, the system has not achieved the intended performance. Partial trials have shown reduced capacity, and the project has been constrained due to commissioning-stage issues

Since the resultants of commissioning trails were not encouraging and the project has exceeded the stipulated timeline, CCI, under the provisions of the tender, intends to complete the commissioning through an **experienced third party at the cost and risk of the present vendor**.

Scope of Work

- Technical evaluation of the installed system.
- Identification and rectification of design or operational deficiencies(without major expenditures).
- Successful commissioning to achieve the rated capacity of 160,000 m³/hr. or above.
- Ensuring sustainable operation of the system in compliance with pollution control requirements.

Invitation to Interested Parties

- Parties with proven expertise in **PJBH systems** and industrial pollution control equipment are invited to participate.
- Interested parties may **visit or connect with CCI, Bokajan** at the below-mentioned address for details and discussions.
- Specific data requirements for technical understanding may be requested.
- Virtual consultations (VC) or site visits are encouraged for detailed discussions.

Contact Details

- **Phone:** 8638838134
- **Email:** rupakmedhi@cciltd.in / rupakmedhicci@gmail.com

Interested parties are requested to submit their Expression of Interest at the earliest before 10th July 2026.
