

CORRIGENDUM-III

NIT No. GM (NOU)/AKO/2017/01 – Renting of Railway Siding at Akaltara.

Queries raised by M/s Hind Energy and Coal Benefication (India) Ltd. during pre-bid meeting held on 5.5.2017 at our Scope Complex office. The reply given by CCI, to the queries, are as under:-

Query No.1:

There is mention of transaction fees payment of Rs.17, 250/-. At various places, it is written that the transaction fees has to be paid through RTGS to M/s MSTC via its portal system and some other places written that payment of transaction fees is to be made in form of DD favouring CCI, New Delhi.

Reply by CCI: As explained in the instructions to the e-tender, the transaction fees of M/s MSTC is to be made through payment gateway. The bidder has to make payment through Credit Card/Debit Card or RTGS which is available in the gateway. No separate payment need to be paid to CCI in this regards.

Query No.2:

In Clause No. 3.0, kindly clarify about deduction of applicable TDS from monthly payment by successful bidder to CCI. Further, service tax should be charged by CCI on this monthly billing amount.

Reply by CCI: The successful bidder may deduct the TDS (Income Tax) on the basis of Exemption Certificate / LESS Tax Certificate of Income Tax Department against the payment to be made to CCI. The CCI will arrange the Tax Exemption Certificate / LESS Tax Certificate from the Income Tax Department for every financial year and will submit the same to the successful bidder. Service tax shall be charged extra on monthly bills as per rules.

Query No. 3:

In Clause No.11.1, as of now most of bulk suppliers are availing e-freight bank account facility. While working with this system, Railways deduct the rail freight as well other punitive charges from attached bank account directly.

Reply by CCI: The successful bidder shall have to submit a 'self declaration' certificate along with monthly dues, stating that there is no dues pending against them with Railways towards demurrage / any other penalty / freight etc.
