BOKAJAN CEMENT FACTORY
DISTT. KARBI ANGLONG (ASSAM)- 782490

Expression of Interest
Corrigendum-01

Ref: CCI/BKO/SIDING/MAINTENANCE/EOI/2021-22/002

Date: 01-12-2022

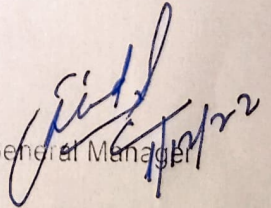

Bokajan Cement Factory is a unit of Cement Corporation of India Limited, under Ministry of Heavy Industries situated at Bokajan, Karbi Anglong, Assam. It has a well-established Private BG Railway Siding (Station Code: CCIB) inside factory premises, which is 01km from Bokajan Railway Station and very near to NH-39.

CCIB siding has a track length of approx. 2.5km and a RCC platform of length 650m (approx).

Expression of Interest has been invited from interested contractors working with NF Railway / parties with experience of maintenance of BG railway track and its accessories for the work of maintenance of CCIB Siding as a whole on fixed term basis.

It is expected that the party will carry out all the maintenance activities of the siding as per NF Railway norms under the direction of CCI Bokajan Civil department.

Interested parties may visit the siding for its physical condition on any working days (9:00AM to 4:30PM) and contact within 15days latest by 16-12-2022 through e-mail gm_bko@ccilttd.in or in person.
