- The break-up of final price viz. basic rate, freight charge, inspection charge etc. will be taken for processing the case after reverse auction has concluded.
- After conduction of reverse auction, distribution of work amongst bidders shall be done as per NIT, after evaluating L-1, L-2 etc.

VIII. Guidelines for Reverse Auction:-

- Any tender can be cancelled/withdrawn at any time before award of contract, which is invariably mentioned in NIT.
- Number of participants allowed in reverse auction:
- In case of single eligible (techno- commercial qualified) party, no reverse auction shall be conducted & tender shall be finalized subject to reasonability of the rate.
- Reverse Auction shall be conducted for two (2) or more techno-commercially qualified parties.
- For 2-4 techno- commercially qualified parties, reverse auction shall be conducted with all parties.
- For 5-6 techno- commercially qualified parties, one highest bidder (H-1) shall not be allowed to participate in reverse auction.
- For 7-10 techno commercially qualified parties, two highest bidders (H-1 & H-2) shall not be allowed to participate in reverse auction.
- For more than 10 techno- commercially qualified parties, only lowest 8 (eight) bidders shall be allowed to participate. However, in case of tie in the eighth (last) position, all such parties shall be allowed to participate in the reverse auction i.e., in case there is tie of 2 parties in 8th lowest position (L-8), then both of them shall be allowed to participate in reverse auction.

- Lowest bid implies the bid whose landed cost is lowest considering freight, inspection charge & less input credits for GST. (Reverse auction shall be conducted on landed cost excluding GST).
- The base price, minimum detrimental value, pre-defined time duration of quoting the revised rate (in minutes) shall be available with the service provider portal as per the format to be uploaded with NIT.
- Closing price (CP) of reverse auction shall be treated as new L-1 and tender shall be processed accordingly.

Complaints may be given, if any regarding denial of service or any related issue, in writing through e-mail/fax to the service provider, with copy of mm_co@ccilttd.in, within 15 min prior to initial closing time of reverse auction.

Bidder shall be assigned user id & password by the service provider, which is presently M/s. Antares Systems Pvt. Ltd.
