2.	<p>(A) Part -A : Techno-Commercial bid will be opened electronically on specified date and time as given in the NIT. Bidder(s) can witness electronic opening of bid.</p> <p>(B) Part-B : Price bid will be opened electronically of only those bidder(s) who's Part-A Techno-Commercial Bid is found to be Techno-Commercially acceptable by CCI. Such bidder(s) will be intimated date of opening of Part-B Price bid, through valid email confirmed by them.</p> <p>Note:</p> <p>The tenderers are advised to offer their lowest possible rates taking into account the prevailing market conditions. There would generally be no negotiations hence please submit your most competitive prices while submitting the price bid. However, if the rate is still considered high, action as per prevailing instruction/guideline shall be taken.</p>		

3.	All entries in the tender should be entered in online Technical & Commercial Formats without any ambiguity.
4.	In case of failure to access the payment towards non-refundable fees for any reason, the vendor, in term, will not have the access to on line e-tender and no correspondence in this respect will be entertained and CCI will not be responsible for any such lapses on this account. Bidder(s) are advised to make remittance of non-refundable fees through separate DD well in advance and verify completion of transaction in respect of non-refundable fees. Vendors are instructed to use Upload Documents link in My menu to upload documents in document library. Multiple documents can be uploaded. Maximum size of single document for upload is 5 MB. Once documents are uploaded in the library, vendors can attach documents through Attach Document link against the particular tender. For further assistance please follow instructions of vendor guide.
5.	All notices/corrigendum and correspondence to the bidder(s) shall be sent by email only during the process till finalization of tender by CCI. Hence the bidders are required to ensure that their corporate email I.D. provided is valid and updated at the stage of registration of vendor with Central Public Procurement Portal (i.e. Service Provider). Bidders are also requested to ensure validity of their DSC (Digital Signature Certificate).
6.	The responsibility of downloading the related corrigenda, if any, will be that of the downloading parties.
7.	E-tender cannot be accessed after the due date and time mentioned in NIT.
8.	Bidding in e-tender: a) It is mandatory that all the bids are submitted with digital signature certificate otherwise the same will not be accepted by the system. b) Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof. c) No deviation of the terms and conditions of the tender document is acceptable. Submission of bid in the e-tender floor by any bidder confirms his acceptance of terms & conditions for the tender. d) Unit of Measure (UOM) is indicated in the e-tender Floor. Rate to be quoted should be in Indian Rupee as per UOM indicated in the e-tender floor/tender document.
9.	Any order resulting from this open e-tender shall be governed by the terms and conditions mentioned therein.
10.	No deviation to the technical and commercial terms & conditions are allowed.
11.	After submitting online bid, the bidder cannot access the tender, once it has been submitted with digital signature
12.	CCI has the right to cancel this e-tender or extend the due date of receipt of bid(s) without assigning any reason thereof.
13.	The online tender should be submitted strictly as per the terms and conditions and procedures laid down in the website https://eprocure.gov.in/eprocure/app .
14.	The bidders must upload all the documents required as per terms of NIT. Any other document uploaded which is not required as per the terms of the NIT shall not be considered.
15.	The bid will be evaluated based on the filled-in technical & commercial formats.
16.	The documents uploaded by bidder(s) will be scrutinized. In case any of the information furnished by the bidder is found to be false during scrutiny, punitive action including suspension and banning of business can also be taken against defaulting bidders.
17.	Bidders are requested to read the bidder manual kit in the sitemap of https://eprocure.gov.in/eprocure/app to familiarize themselves with the system before bidding.

CEMENT CORPORATION OF INDIA LIMITED

(A Govt. of India Enterprises; ISO 9001:2015 Certified)

**Part - III
Special Terms and Conditions**

In addition to instructions to tenderers in Part I & the general terms & conditions of Part-II, the following additional special terms & conditions will also apply to the contract. Special terms & conditions given below, if contrary to any conditions given in Part- I & Part-II shall prevail upon such conditions given in Part-I & Part-II of the contract.

Introduction:

The Bokajan Cement Plant is 600 TPD integrated cement manufacturer situated at a distance of 21 kilometre from Dimapur. At present CCI is operating 1 no. bore well of 220 feet located at the CCI field. However, the new bore well will be located inside the factory premises near the water reservoir. The daily consumption of water for the factory and colony is approximately 1000 KLD(kilo litre per day).

1. Eligibility Criteria for tender

The average annual financial turnover of the Bidder for last 3 financial years, i.e. 20-21,21-22 and 22-23 and should be at least Rs. 3.00 lakhs . The bidders shall submit **Documents for Turnover.**

2. The work must be completed to the satisfaction of the Corporation within the time specified above from the date of issue of the written order to commence the work and according to time schedule for any part/s of the work as may be indicated by the corporation at any stage till completion.
3. Power is reserved by the Corporation to reject any or all tenders or accept any tender without assigning any reason or giving explanation thereof.
4. Unless the person whose tender is accepted signs the contract papers within 15 days of the date of the written order asking him to do so or fails to commence the work specified in the notice, acceptance of his tender will be withdrawn.
5. GST or any other tax on materials in respect of this contract and / or on the works or part thereof executed under this contract shall payable by the contractor and the Corporation will not entertain any claim whatsoever nor shall it be liable to pay any sum in this respect.
6. The contractor shall not be permitted to tender in case his near relative is working in the Corporation. He shall intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any officer of the corporation.
7. **Accommodation :** Corporation may provide residential Quarters in CCI Township at Bokajan for the supervisory staff/workmen, subject to the availability on chargeable basis as per the rules of corporation.
8. Tenders for work shall remain open for acceptance for a period for a period 90 days from the date of opening of tenders. This period can be further extended with the consent of the tenderer.
9. **Tools, Tackles & Materials:** All tools & tackles required for proper completion of the job including boring machine, 8” casing pipes,. etc. should be arranged by the contractor himself. No extra charges will be paid in this regards to the contractor. The scope under CCI is mentioned at Part IV.
10. **Method of measurement:** The measurement shall be taken in “foot” for the finished work. In case of any dispute, decision of HOD (Civil) shall be final, binding and conclusive.
11. **Rates :**
 - a. The bidder shall visit the designated sites of boring before submitting his best offer.

- b. Rates shall be in Rupees/foot and shall be inclusive of all tools and plants, carriage of material to site, stacking and removal charges of any rejected materials, working platform arrangement , etc. (which are not billable), all taxes, duties and octroi leviable to contractor etc. for the full and satisfactory completion of the work.(Please see in Part IV under scope of work also)
- c. Rates quoted by the tenderer shall remain firm till the end of the contract period including all authorized extension (s) of time for completing the work as may be sanctioned by the corporation under special circumstances.
- d. During this period no revision in rates on account of market fluctuation or on account of any act of the Government, local bodies or any other agency, will be permitted and contractors/s will execute the entire work including all additions/subtractions/amendments/modifications etc. at the rates quoted in the tender and accepted by the corporation. In giving their rates tenderers must be taken in to account fluctuations in the market rates including any future statutory increase in prices. No claim will be entertained on this account during acceptance of the tender and execution of the contract.

12. All works shall be carried out in accordance with the enclosed Specification. (see Part-IV). At the end of the work the contractor will submit a report as per Annexure D.

13. **Duration of Contract:** The Contract shall be for a period of 01 month from the date of award of the work, which may be extended, though the final decision will be at the discretion of CCI Management.

14. **Extension of time:-If in the opinion of the Corporation the work is delayed.**

- a. By reason of abnormally bad weather or by any act of God, or
- b. By delay due to late supply of drawings, details or materials by the Corporation, or
- c. By delay on the part of the agency or tradesman engaged by Corporation in executing work not forming part of this contract, or
- d. By reason of extra or additional work of any kind which may fairly entitle the contractor to any extension of time

Contractor is not entitled to get any compensation thereof and discretion of Corporation is final in this regard.

15. **Time of completion:-**

- a. Time is the essence of contract. The entire works as specified are to be completed within stipulated time from the date of order to commence or within the extended date as may be allowed by the corporation. The corporation will be empowered to make a relaxation in the completion time or to order delay for any reasons whatsoever without entitling the contractor to any increase in rates, claim or compensation of any kind.
- b. In case the contractor does not adhere to the time and progress chart or the proportionate progress as the case may be the Corporation may recover by way of liquidated damages the amount calculated at 1% of the amount of short progress per day or any smaller amount as the Corporation may decide.

16. **Damage to persons and property insurance in respect:-**

- a. The contractor shall be responsible for any injury to his employees, workmen, other persons, animals or thing, third party inclusive, for all damage to the structure and building including foundation and structures of the neighboring properties which may arise from the

operations or neglect of himself or of his agent or of any subcontractor or of any of his or a subcontractor's employees whether such injury or damage arises from carelessness, accident or any other cause whatsoever in any way connected with the carrying out of his contract. The contractor shall also be responsible for all other damage to any property arising out of and incidental to the negligence or defective carrying out of this contract.

- b. The contractor shall at his own cost remove the scraps, earth, etc., to place specified by department and part reinstate all damage of every sort mentioned complete and perfect in every respect and also make good or otherwise satisfy all claims for damage to the property.
- c. He/she shall follow strictly the C.P.W.D. labour regulations and C.P.W.D. safety code.
- d. He/she shall be indemnify the Corporation against payment of compensation to any labour on account of injury or loss of life any other kind of loss. In all such cases, he shall himself pay compensation as per Workmen Compensation Act. No labours below age of fourteen years shall be employed on the work.
- e. The contractor shall give all notices required by any statutory provisions or by the regulations and/ or bye- laws of any local authority and/ or of any public service company or authority affected by the works or with whose systems the same are / will be connected and he shall pay and indemnify the Corporation against any fees, or charges demandable by law under such act/regulations/bye- laws in respect of the works and shall make and supply all drawings and plants at his cost required in connection with any such notices.
- f. The contract should take all the safety measures and to provide all the necessary safety equipment's like safety belts, safety shoes, helmet etc. to his labourers during the work.

17. **Payments:**

- a. Payment to be made on the Basis of Actual Measurement of work (per foot), according to the rate in the work order.
- b. The bill to be submitted after the commissioning of the water pump by CCI. However, the end date of the boring will be taken on the day the bore well is handed over for installation of suction line, etc.
- c. 10% deduction from the billed amount for warrantee terms
- d. Payment shall be released within 15 days, from the date of submission of bills through RTGS transfer after deduction of applicable taxes, GST amount in full will be paid once reflected in GST portal.
- e. Paying Authority is HOD (Finance), CCI Ltd., Bokajan Cement Factory.

18. **Security Deposit (SD):-** SD shall be 5 % of the work order value. The amount shall be deposited within 7 days of acceptance of order.

19. **Guarantee / Warrantee :**

- a. The flow rate of the water should not decrease due to any faults in the underground water well size/collapse, screens or any workmanship that can be attributed to the boring.
- b. The water should be clean and potable.
- c. The flow rate shall be 600 lts/minute – 700 lts/minute
- d. The period of warrantee shall be 12 months.
- e. 10% of the billed value shall be withheld and shall be released on completion of 12 months period from the date of completion of the bore hole.
- f. Non conformance with b and c shall require rework at the expense of the contractor. The warrantee period (d) shall be renewed from the date of completion of the rework.

Scope of Work:

- A. Work Vendor shall be responsible for supply and installation of Material and Equipment along with necessary activities essential for erection and commissioning of proper functioning Bore-well inside CCI Bokajan Premises. The contractor will drill into the ground to tap into water-bearing soil or rock layers termed aquifers.
- B. Equipments to be brought by contractor:

Item	Specification
8" boring hole for water Boring by Drilling Rig machine etc. mounted on truck/tractor*	400 Feet

*The contractor must have the above machine or should submit the willingness certificate for the machine.

BIS Standards of materials to be included in rate and used by contractor

SI No.	Items under the scope of contractor	Specification
1.	8"/200mm uPVC medium casing pipe (NB) (ASTM schedule 80)	Wall thickness 10-12mm as per IS: 12818:2010 table no. 5 clause 7.2.1.
2.	Screen pipe	As per IS : 12818: 2010 table no. 3 clause 7.1.2
3.	Gravel size	Gravel (size ranging from 4 mm to 10 mm)

- C. Brands of material approved by CCI (priority wise) : Supreme, Ashirbad, Finolex and Astral. The contractor shall not deviate from these brands.
- D. Minimum boring depth : 250 feet and Maximum boring depth : 400 feet. *In case the water level is achieved before the utilization of the estimated boring depth (400 feet), CCI shall have the complete discretion/authority to utilize the remaining quantity. The same may be utilized to lay new casing/cleaning in old bore well (rebore) or bore a new bore well, whichever is deemed suitable by CCI.*
- E. The water should be clean and potable (fit for drinking).
- F. The flow rate shall be 600 lts/minute to 700 lts/minute. The pump will be operated 24 hrs a day.
- G. **Scope of work under CCI (tabulated)**

SI No.	Item/works under the scope of CCI	Specification
1.	Installation of suction pipe and foot valve	3"
2.	Construction of Civil foundation of motor/pump and shed	In house design
3.	Installation of Pump /motor/shed/electrical connection etc.	Pump 700 lts/minute /CCI's scope
4.	Commissioning of pump	CCI scope**

** However assistance from the boring contractor is mandatory.

H. Projected Activities in the drilling of bore well

- a. Test boring for water layer.
- b. Site Clearance work before commencement and after completion of work.
- c. Drilling of 8"/200 mm diameter Bore well by the help of Drilling Rig machine etc. (including all labours, carting & loading, unloading, 8" casing pipe, filters, gravels, accessories, etc.).
- d. Supply and lowering of heavy duty 200 mm diameter uPVC casing pipes (ASTM schedule 80) from ground level filled and fixed up in vertical position (including cutting and threading of pipes, filter with pebbles in concentric pipes, supplying and fixing of all jointing materials).

- e.** Providing and fixing bore cap of standard quality and of required diameter suitable for 200 mm diameter Bore well including providing coupling at the top of casing pipe to properly fix the bore cap.
- f.** Supplying and fixing clamp for holding casing pipe as required.
- g.** Cleaning and developing of tube well with contractor's own compressor continuously work till all clear and adequate discharge of water is observed from the tube well.
- h.** Graveling as required.

Any process or items which is not mentioned here but is necessary for bore well drilling is also to be taken into consideration by the contractor.
