2	<p>(A) Part-A Techno-Commercial bid will be opened electronically on specified date and time as given in the NIT. Bidder(s) can witness electronic opening of bid.</p> <p>(B) Part-B Price bid will be opened electronically of only those bidder(s) who's Part-A Techno- Commercial Bid is found to be Techno-Commercially acceptable by CCI. Such bidder(s) will be intimated date of opening of Part-B Price bid, through valid email confirmed by them.</p> <p>Note:</p> <p>The biddersare advised to offer their lowest possible rates taking into account the prevailing market conditions. There would generally be no negotiations hence please submit your most competitive prices while submitting the price bid. However, if the rate is still considered high, action as per prevailing instruction/guideline shall be taken.</p>												
3	<p>All entries in the tender should be entered in online Technical & Commercial Formats without any ambiguity.</p>												

4	In case of failure to access the payment towards cost of tender document & EMD for any reason, the bidder, in term, will not have the access to online e-tender and no correspondence in this respect will be entertained and CCI will not be responsible for any such lapses on this account. Bidder(s) are advised to make remittance of tender fee and EMD through Online well in advance and verify completion of transaction in respect of tender fee and EMD.
	Vendors are instructed to upload documents in the document library. Multiple documents can be uploaded. Maximum size of a single document for upload is 5 MB. Once documents are uploaded in the library, vendors can attach documents through Attach Document link against the particular tender. For further assistance please follow instructions of Vendor Help Manual
5	All notices/corrigendum and correspondence to the bidder(s) shall be sent by email only during the process till finalization of tender by CCI. Hence the bidders are required to ensure that their corporate email I.D. provided is valid and updated at the stage of registration of vendor with CPP Portal (i.e. Service Provider). Bidders are also requested to ensure validity of their DSC (Digital Signature Certificate).
6	The responsibility of downloading the related corrigenda, if any, will be that of the downloading parties.
7	E-tender cannot be accessed after the due date and time mentioned in NIT.
8	<p>Bidding in e-tender:</p> <p>a) Bidder(s) need to submit necessary EMD and Tender fees (If ANY) to be eligible to bid online in the e-tender. Tender fees are non-refundable. No interest will be paid on EMD. EMD of the unsuccessful bidder(s) will be refunded by CCI.</p> <p>b) The process involves Electronic Bidding for submission of Techno Commercial Bid as well as Price Bid is explained in Help Manual. 1) In all cases, the bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid. 2) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.</p> <p>c) The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.</p> <p>d) All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply. Such successful BIDDER shall be called hereafter SUPPLIER</p> <p>e) It is mandatory that all the bids are submitted with digital signature certificate otherwise the same will not be accepted by the system. Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof.</p> <p>f) No deviation of the terms and conditions of the tender document is acceptable. Submission of bid in the e-tender floor by any bidder confirms his acceptance of terms & conditions for the tender.</p> <p>g) Unit of Measure (UOM) is indicated in the e-tender Floor. Rate to be quoted should be in Indian Rupee as per UOM indicated in the e-tender floor/tender document.</p>
9	Any order resulting from this open e-tender shall be governed by the terms and conditions mentioned therein.
1 0	No deviation to the technical and commercial terms & conditions are allowed.
1 1	After submitting online bid, the bidder cannot access the tender, once it has been submitted with digital signature

1 2	CCI has the right to cancel this e-tender or extend the due date of receipt of bid(s) without assigning any reason thereof.
1 3	The online tender should be submitted strictly as per the terms and conditions and procedures laid down in the website www.eprocure.gov.in/eprocure/app
1 4	The bidders must upload all the documents required as per terms of NIT. Any other document uploaded which is not required as per the terms of the NIT shall not be considered.
1 5	The bid will be evaluated based on the filled-in technical & commercial formats.
1 6	The documents uploaded by bidder(s) will be scrutinized. In case any of the information furnished by the bidder is found to be false during scrutiny, punitive action including suspension and banning of business can also be taken against defaulting bidders.
1 7	Bidders are requested to read the vendor guide in the page www.eprocure.gov.in/eprocure/app to familiarize themselves with the system before bidding.

- 44) GST Registration No. & I.T.PAN No. of the party have to be clearly mentioned/ printed in their respective monthly Invoice as a statutory requirement.

Public Procurement (Preference to Make in India):

The Procurement of goods and services under this tender will be regulated as per the applicable provisions of Public Procurement (Preference to Make in India), order 2017 of MoC&I (DIPP), Government of India and revised orders issued on 16.09.2020. As per said orders Bidders/Contractors are divided into three categories based on Local Content. Local content in the context of this policy is the total value of the item procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.:

- a) 'Class-I Local Supplier' with local content equal to or more than 50%.
- b) 'Class-II Local Supplier' with local content equal to or more than 20%, but less than that applicable for Class-I Local Supplier.
- c) 'Non - Local Supplier' with local content less than that applicable for Class-II local Supplier, in (b) above.

The 'Class-I Local Supplier'/'Class-II Local Supplier' at the time of bidding shall be required to indicate the percentage of local content and provide self-certification that the item offered meets the local content requirement for 'Class-I Local Supplier'/'Class-II Local Supplier', as the case may be. Bids with false declarations regarding Local contents shall be rejected as unresponsive, in addition to punitive actions under the MII orders and for violating the Code of Integrity as per the Tender Document. Bidders have to submit self-declaration of their local content and their status as Class-I/ Class-II/ Non-local Supplier and their eligibility to participate in this tender. If a Bidder is claiming exemption (as obtained from relevant authorities) from meeting the stipulated local content on account of manufacturing the product in India under a license from a foreign manufacturer with the precise phrasing of increase in local content, he must provide proof thereof.

Purchase preference as per Make in India will be exercised as follows:

(a) If the Goods are Not Divisible in nature:

Among all qualified bids, the lowest bid shall be termed as L-1. If L-1 is 'Class-I Local Supplier' (Under MII clause at 1.12.1), the contract shall be awarded to L-1.

If L-1 is not 'Class-I Local Supplier', the lowest bidder among the 'Class-I Local Supplier' shall be invited to match the L-1 price subject to Class-I Local Supplier's quoted price falling within the margin of purchase preference, and the contract shall be awarded to such 'Class-I Local Supplier' subject to matching the L-1 price.

If such lowest eligible 'Class-I local Supplier' fails to match the L-1 price, the 'Class-I local Supplier' with the next higher and so on, bid within the margin of purchase preference shall be invited to match the L-1 price, and the contract shall be awarded accordingly. If none of the 'Class-I local Supplier' within the margin of purchase preference matches the L-1 price, the contract shall be awarded to the L-1 bidder.

(b) If the Goods are Divisible in nature:

Among all qualified bids, the lowest bid shall be termed as L-1.

If L-1 is 'Class-I local Supplier', the contract for full quantity shall be awarded to L-1. If the L-1 bid is not a

'Class-I local Supplier', 50% of the order quantity shall be awarded to L1. After that, the lowest bidder among the 'Class-I local Supplier' whose quoted price falls within the margin of purchase preference shall be invited to match the L-1 price for the remaining 50% quantity, and a contract for that quantity shall be awarded to him, subject to matching the L-1 price. In case such lowest eligible 'Class-I local Supplier' fails to match the L-1 price or accepts less than the offered quantity, the next higher 'Class-I local Supplier' within the margin of purchase preference shall be invited to match the L-1 price for the remaining quantity and so on, and the contract shall be awarded accordingly. If some quantity is still left uncovered on Class-I local Suppliers, such balance quantity shall also be ordered on the L-1 bidder.

(c) Where contract is to be awarded to multiple bidders:

In Bids where contracts are to be awarded to multiple bidders subject to matching of L-1 rates or otherwise, the 'Class-I Local Supplier' shall get purchase preference over 'Class-II Local Supplier' as well as 'Non-Local Supplier', as per following procedure:

If there is sufficient local capacity and competition for the item to be procured, as notified by the nodal Ministry, only Class I Local Suppliers shall be eligible to bid. As such, the multiple Contractors, who would be awarded the contract, should be all and only 'Class I Local Suppliers'.

In Bids, other than the sufficient local capacity and competition for the item to be procured, 'Class II local Suppliers' or both 'Class II local Suppliers' and 'Nonlocal Suppliers' may also participate in the tender process along with 'Class I Local Suppliers'.

If 'Class I Local Suppliers' qualify for the contract award for at least 50% of the tendered quantity in tender, the contract shall be awarded to all the qualified bidders as per award criteria stipulated in the Tender Documents. However, in case 'Class I Local Suppliers' do not qualify for the award of contract for at least 50% of the tendered quantity as per award criteria, purchase preference should be given to the 'Class I local Supplier' over 'Class II Local Suppliers' / 'Non-local Suppliers' provided that their quoted rate falls within the margin of purchase preference of the highest bid considered for award of contract. To ensure that the 'Class I Local Suppliers' taken in totality are considered for award of contract for at least 50% of the tendered quantity.

First purchase preference has to be given to the lowest among such eligible 'Class-I local Suppliers', subject to its meeting the prescribed criteria for the award of contract as also the constraint of the maximum quantity that can be sourced from any single Contractor. If the lowest among such 'Class-I local Suppliers' does not qualify for purchase preference because of aforesaid constraints or does not accept the offered quantity, an opportunity shall be given to next higher among such 'Class-I local Supplier', and so on.

To avoid any ambiguity during bid evaluation process, the procuring entity may stipulate its own tender specific criteria for award of contract amongst different bidders including the procedure for purchase preference to 'Class-I Local supplier' within the broad policy guidelines.

CEMENT CORPORATION OF INDIA LIMITED

(A GOVERNMENT OF INDIA ENTERPRISE)

CCI TANDUR- 501 158, Vikarabad Dist.(T.S.)

PART-IV TECHNICAL SPECIFICATIONS

“Dismantling, Erection and Alignment of Collecting and Emitting Electrodes including alignment of the hammers of Collecting electrodes, emitting electrodes , GD screen and air load test in Coal Mill ESP at CCI-Tandur. “

In addition to the General terms & conditions under Part-I, Part-II & Part-III Special terms & conditions, the following Technical details & Scope of work will also apply to the contract.

1.0 GENERAL INFORMATION OF PLANT

Our Tandur Cement Factory is located at Karankote Village, 14 Kms., away from Tandur Town and about 125 Kms., away from Hyderabad (A.P). Tandur is well connected by Bus & Train route (on Hyderabad-Wadi Rail Line). Tandur Cement Factory is a 3000 TPD cement plant and one among the three operating units of Cement Corporation of India Limited (A Government of India Enterprise). The Supplier of ESP is M/s.ABL, Shahabad (presently known as M/s.Alstom Projects India Ltd) O.E.M., and it is located at an elevation of about 20 metres from ground level.

3	Dust loading as per guaranteed efficiency	At inlet	120 gms/Nm ³
		At outlet	<150mg/Nm ³
4	Water due point		50-55 ^o C
5	Raw gas dust burden		88.5 g/M ³
6	Over all collection efficiency		99.88%
7	Collecting area		1080 M ²
8	No.of electro static fields per precipitator		1 Field
9	Hight of electro static fields		6 M
10	Length of electro static fields		5.76 M
11	Type of collecting electrodes/ Size/Qty.		CSW2 6.25m*0.48m 192Nos
12	Type of discharge electrodes/ Size/Qty.		Tester 3m 1080 Nos
13	Coollecting electrode Rapper type/qty.		Tumbling hammer type 15 Nos

14	Discharge electrode Rapper type/qty.	Knocking hammer type 15 Nos
15	Working Status	Operational

SCOPE OF WORK

- a) Repair/leakage arresting of casing and roof of ESP body.
- b) Air cleaning inside ESP.
- c) Dismantling of collecting electrodes.
- d) Dismantling of emitting electrodes
